

# ABOUT SOLTHERM

**Soltherm External Insulations Ltd is one of the largest and most experienced EWI producers in Europe. Since we began, we have manufactured and delivered over 100 million m<sup>2</sup> of insulation and components across 15 countries.**

With over 25 years' experience, we have acquired experience in a variety of climates. Our production plant is state of the art and ISO certified. We hold certifications with British BBA, and from authorities across Europe. Our research and development laboratory allow us to constantly innovate new products and test existing components and systems, to ensure the highest quality of materials to the U.K. market.

RELIABLE INSULATION SYSTEMS **BASED ON EXPERIENCE**
